

PROJECT REPORT TEMPLATE

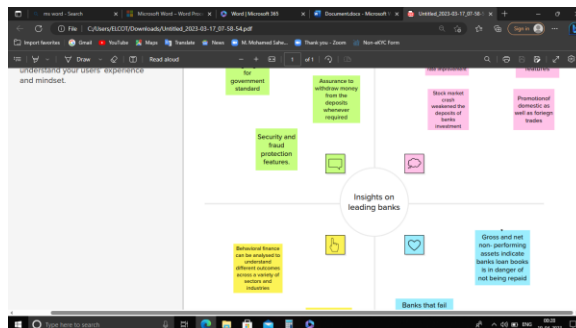

INTRODUCTION:

Project Description:

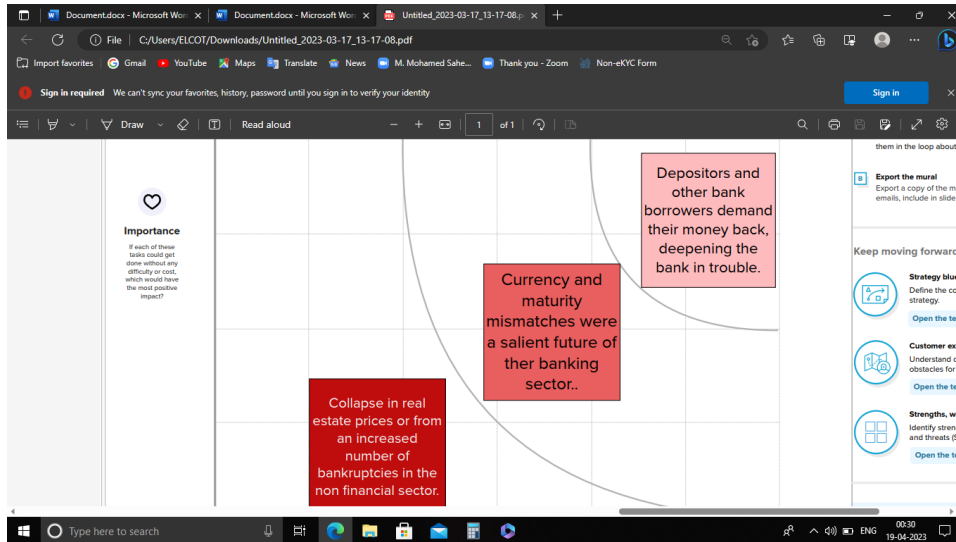

Bank is an industry that handles cash, credit and other financial transactions. Bank provides a safe place to store extra cash and credit. They offer savings accounts and certificates of deposit. Bank performance means the value calculated using the financial metrics designated by the board. The list is based on the April 2022 S&P GLOBAL MARKET INTELLIGENCE report of the 100 largest banks in the world. The United States uses US GAAP which only reports the net derivative position in most cases, leading to US banks having fewer derivative assets comparable than non-US banks. INDUSTRIAL AND COMMERCIAL BANK OF CHINA LIMITED is ranked as the top banks in the world. The net profit of this bank in 2021 is 350.22 billion yuan.

EMPATHY BUILDING:

TASK1:

BRAINSTROMING:

Advantages:
